Effective September 4, 1992, 37 CFR 3.73(b) requires the Assignee of the entire right, title and interest to establish ownership by submitting to the Office documentary evidence of a chain of title from the original owner to the assignee or by specifying (e.g. reel and frame number, etc.) where such documentary evidence is recorded. In addition, the assignee of the patent application or patent must submit a statement specifying the evidentiary documents have been reviewed and certifying that, to the best of assignee's knowledge and belief, title is in the assignee seeking to take the action. See Federal Register on July 6, 1992 (Vol. 57, No. 129, 29634-29648), and in the Office Gazette on July 28, 1992.
